I request that my child be allowed to participate in an authorized OLSH field trip. I understand that my child will be chaperoned by a responsible adult while away from the school, who will take reasonable precautions to protect my child from harm and injury.

I understand that this is a supervised activity. To maintain order, students will be expected to comply with rules, standards, and instructions for student behavior. I waive and release all claims against OLSH or their agents arising out of my child’s failure to remain under such supervision. If at any time my child’s behavior is incompatible with the standard for student behavior, his/her further participation may not be permitted.

In the event that my child is injured, becomes ill, or involved in an accident while away, I understand that the chaperone will seek medical attention for my child, and the school will contact me as soon as possible, and that I will be financially responsible for medical treatment. I further agree to hold OLSH, its employees, and agents harmless for any injury or illness caused by the negligence of persons other than employees or agents of OLSH when such injury or illness occurs during the trip.
