### Financial Information

Tuition for 2016-2017 - \$9,500

Fees for 2016-2017 – AAC Fee \$500

### Cost of Education Partnership

The actual cost to educate a student at OLSH for the 2016-2017 year is approximately \$14,440. In essence, OLSH provides a \$4,440 grant to each student before any tuition assistance or scholarship funds are offered. We invite all families to partner with us by investing in your child with a charitable gift toward the actual cost of your child's education. This partnership allows us to continue to offer the many programs available to each student at OLSH.

I understand and accept my financial obligation to Our Lady of the Sacred Heart High School.

I agree to abide by the tuition payment schedule I set up in FACTS Tuition Management.

I would like to participate in the Cost of Education Partnership with a gift (in addition to my tuition and fee obligations.) *The Advancement Office will send you a separate commitment form to indicate the size and terms of your gift.*
