

# Gene Kelly Awards Tickets

TICKET ORDERS DUE to Ms. Manuel in the OLSH Main Office by  
**Friday, April 28<sup>th</sup>, 2017 at 12 Noon!**

**The Gene Kelly Awards are Saturday, May 27, 2017, at the Benedum Center (downtown Pgh.).**

In order to purchase tickets for the Gene Kelly Awards, schools can only send one order form and check per school. **Tickets MUST be ordered advance.** It is always easier to sell back your ticket than to get a ticket later on. Regardless of nominations received, the Gene Kelly Awards are a fun event that students have enjoyed attending in the past. OLSH will learn of nominations early May. **We strongly recommend that each cast and crew member order at least one student ticket.** If OLSH is nominated for "Best Musical" and performs on stage that night – you are responsible for purchasing a ticket if you want to stay and watch the Awards Show.

Tickets are nearly impossible to get after we submit our school order! (Tickets go on sale to the general public for \$40 each AFTER this order is placed; however, it is very rare that tickets are even available.) **OLSH will not be responsible for finding you a ticket if you decide later that you would like one.**

Please contact Ms. Dolores Manuel at [dmanuel@olsh.org](mailto:dmanuel@olsh.org) with any Gene Kelly Awards questions.
